

Our volunteers make a huge difference to our community and provide an invaluable service to our Visitor Centres and featured events.

The success of **Fall Festival Weekend** is largely based on the hundreds of hours of support received from community volunteers. We are so grateful for their support, time and energy!

Volunteers during the festival events are important but also please consider that set-up and tear-down require a lot of people and are essential to the success of the fall festival weekend.

Please review available times and positions to let us know your areas of interests by checking your preferred days and times to volunteer on the next page.

Our volunteer coordinator will follow-up with you about available positions based on your preferences and availability
